

# Alpine Garden Society

## Autumn Delights

Sunday 27 September 2026

---

### At Arley Arboretum and Gardens

---

Discover the Magic of Autumn & Winter in the Garden!

Join us for a morning of inspiring talks all about making the most of your garden through the colder months.

Enjoy welcome drinks, three engaging talks, a delicious lunch, and an afternoon of adventure with **FREE** entry to the stunning RHS partner arboretum and gardens at Arley.

Browse and buy from specialist Nurseries and fill your garden with vibrant plants to bring colour and cheer to your winter.

#### Guest Speakers

**Michael Myers**

*Renowned expert in alpine plants, particularly known for his expertise in Snowdrops, dwarf bulbs and woodland plants*

---

**Tony Goode**

*An enthusiastic amateur gardener, lived and gardened in Norwich for forty years before relocating to Wales in 2019 and has held a National Collection of species crocus for twenty years. Tony joined the Alpine Garden Society in 1989 and is involved in various society activities.*

---

**Nigel Hopes**

*After training and working at Birmingham Botanical Gardens and Glasshouses, Nigel Hopes became Head Gardener for John Massey in his Private Garden at Ashwood Nurseries*

#### Arley Arboretum a Magical Place to Explore

Arley Arboretum is situated on the banks of the magnificent River Severn at Upper Arley, within the stunning scenery of the Arley Estate, near the historic market town of Bewdley.

One of the oldest Arboretums in Britain and home to over 300 species of trees from around the world, with restored Italian Gardens being the jewel of the crown, and features Britain's longest Laburnum arch, measuring 65 metres.

---
